11ᵗʰ International Conference on Suistainable Energy Engineering and Aplication (ICSEEA) 2024

a Conference by The National Research and Innovation Agency (BRIN)

AUTHORS GUIDELINES

) ICSEEA 2024 invites submission of the manuscript which focus on a specific topic of the conferences and/or related to the topic of "Transforming Energy, Industry, and Transportation Technology Towards Decarbonized Society"

) All papers must be original, only English written papers are accepted, which is NOT simultaneously submitted/published/under consideration anywhere in other conferences/journal.

) The participation of the same author must be allowed up to 2 papers per author (including as a co-author) unless there is a legitimate reason to include more.

) All papers will be subjected to peer review by a technical program committee.

) The plagiarism checks results have a maximum similarity of 20 percents.

ABSTRACT SUBMISSION

) ICSEEA 2024 invites submission of the abstract by 16ᵗʰ October 2023.

) Abstract should be 150 - 200 words (excluding abstract title, authors, and affiliations). And recap the major important aspects of the whole paper

) At the beginning of abstract submission please follow IOP author guidelines as follows: https://publishingsupport.iopscience.iop.org/author-guidelines-for-conference-proceedings/

) All articles must follow our ethical guidelines (note our recently updated policy on the use of AI): https://publishingsupport.iopscience.iop.org/ethical-policy-journals/

) In order to submit your abstract, create your account and log in to the submission system "Morrisier" by following this LINK.

) Please create an account by inputting your email through the link.

) Check your email and confirm your email address.

) Fill out your password and profile setting.

) After registered, you can fill the abstract form and submit to ICSEEA 2024.

PREPARING YOUR FULL MANUSCRIPT

- After notification of acceptance, ICSEEA 2024 invites submission of the full manuscript by 30th November 2023.
- Please submit your full paper based on the Publisher's Template.
- Please ensure that all fonts are embedded, not as encrypted/secured file, and has no headers, footers, bookmarks, form fields, links, or annotation.
- After the camera-ready paper is submitted, and conference registration is paid, the committee will recommend authors to participate in special issue publication in the following journals
    - International Journal of technology (Link)
    - Evergreen (Link)
    - MEV (Link)

    This option is available only for selected papers, based upon the quality of the submitted manuscripts. Authors are permitted to select only one publication option. In the meantime, the remaining selected papers will be published in the IOP Conference Series: Earth and Environmental Science.

PRESENTATION GUIDELINE

- Online participants must present their materials through recorded presentation in the format of video
- Offline participants must present their materials directly and sent the power point file
- Using Power Point
- Maximum duration of presentation: 8 mins.
- The video needs to show the slide presentation and the face of presenters while presenting. Please use official virtual Background of ICSEEA 2024
- Submit the video or the presentation file (Power point format) click here
- Please give file name to the video or presentation file: Video/PPT_Article ID
  Example: Video_ICSEEA2024_ARTICLE ID or PPT_ICSEEA2024_ARTICLE ID
- Submission of recorded presentation and PPT will be closed on February 10th, 2024.
